Sir,

Subject. Entertainment of Sanitary Police

I have the honour to state that the subject of entertainment of a small establishment of sanitary police to prevent nuisance and infringement of sanitary rules and bye-laws, was under the consideration of the municipal Council for some time past In view of the increasing indiscriminate commission of public nuisance, vending of fruits, & vegetables, eatables etc by the side of the roads and footpaths, and also of the infringement of the sanitary rules and bye-laws noticed of late, it was felt necessary that such acts, which are a source of menace to the public health, should be put down It is found that the present sanitary staff of the health section cannot cope up with this work in addition to their other duties, so much so the nuisances still continued In order that these nuisances may abate, a strict police watch over such acts is very necessary With this end in view, the idea of entertaining the sanitary Police staff as in Bangalore, has been suggested It is proposed by the Health Officer that the entertainment of the marginally noted staff* at a cost of Rs.291/- as per details noted therein, is required The Health Committee after due deliberation on the subject, recommended duly for the proposal of council in their resolution No.317 dated 18-4-46, copy enclosed for reference The scheme has beer sanctioned by the council tentatively for a period of one yea

1 Duffedar on Rs 21	Rs 21-0-0

1/4th pay towards pensions & leave allowances	39-0-0

at their meeting held on 27-4-46

In enclosing herewith the copies of the above resolutions I request you ~~kii~~ kindly to obtain sanction of the Government to the entertainment of the above staff early

Necessary provision has been made in the budget for 1946-47 in this behalf under E2(a) Conservancy & Sanitation
